

Application No.: 10/754,797
Response to Office Action of November 24, 2004
Attorney Docket: WETCO-001A

REMARKS

On January 25, 2005, the Examiner telephoned Applicant's representative and indicated that the Amendment submitted in relation to the above-identified application on December 28, 2004 contained inconsistencies. In particular, the Amendment to the Claims section of the Amendment showed Claims 14-26, 28, 30 and 32 as being withdrawn but the Remarks section of the Amendment stated that such claims were cancelled. Additionally, the Remarks section stated that a terminal disclaimer was submitted with the Amendment but a terminal disclaimer could not be found with the Amendment. Lastly, the Examiner indicated that such inconsistencies could be overcome by submitting an Amendment to resolve such inconsistencies.

By this Response, Applicants respectfully request the Examiner to mark the Remarks section in the Amendment submitted on December 28, 2004 to indicate that Claims 14-26, 28, 30 and 32 are withdrawn from prosecution and not cancelled. Accordingly, there is consistency between the Amendment to the Claims section and the Remarks section in the Amendment of December 28, 2004. Moreover, Applicants' provide concurrently herewith a Terminal Disclaimer (see Exhibit A) with respect to Application Serial No. 10/814,324. Accordingly, the inconsistencies noted by the Examiner have been overcome.

Based on the foregoing, Applicant respectfully submits that all of the claims are allowable and requests an early notice to that effect. Applicants request that the Examiner contact Applicant's counsel should the Examiner have any questions, require additional information, or have any suggestions to resolve any outstanding issues that may exist.
